RE: John Jay Condon v. Rodney Bouffard, et al.  
U.S. District Court No. 16-cv-372

*ATTACHMENT E*

Dear Mr. Condon:

Enclosed please find Motion to Amend Discovery Order and Objection to Discovery Order.

This letter will also serve as an initial, partial response to the court's Order on Discovery Issues.

With regard to Request for Production of Documents # 1, please be advised that Lt. Burnham was tasked to conduct mail and telephone surveillance after you were placed in segregation in March, 2014. She did not create any written reports. I am enclosing a copy of an e-mail she sent to Warden Bouffard in August, 2014, summarizing her activities; information containing the identity of another prisoner has been redacted from this document. In addition, I am enclosing a summary prepared by Unit Manager Mendez of a confidential report regarding your threat to kill Unit Manager Harris. I am also enclosing the Confidential Report prepared by Unit Manager Mendez; information not relevant and containing personally identifying information has been redacted from this document. Finally, I am enclosing a typewritten transcript of a note received by Unit Manager Allen; potentially identifying information has been redacted; the note is handwritten and the handwriting may be identifiable.

ATTACHMENT E P.2

With regard to Request for Production # 4, the Classification Office is in the process of gathering the information regarding out-of-state transfers, and I will forward it shortly.

Very truly yours,

James E. Fortin  
Assistant Attorney General
